THE GALLERIA LOBBY

ENJOYING YOUR CREATIVE SPACE FULL OF ART PIECES IN HERITAGE VIBES

...

Every detail has been meticulously chosen to infuse and inspire
your daily life with the essence of art.

From incorporating natural stone materials to displaying
artworks by renowned European artists and creating each piece of
furniture, every element has been thoughtfully
merged in perfect harmony.

Imaginative details, such as white-veined green-hued marble,
bring the outside garden experience in and provide the ultimate
respite after a fulfilling day in a space where you can truly be yourself
and appreciate genuine relaxation.

LANDSCAPE AND GARDEN

A NATURE TO FUTURE

...

Green areas throughout the project draw inspiration from emotions evoked while strolling through an art gallery and translate that experience to the garden setting.

Much as the gentle sound of music ebbs and flows while carried on the breeze, curving pathways seamlessly connect lush outdoor spaces with the interior to create an engaging environment. The gardens provide stunning surroundings and a natural filtration of worldly pollutants, reducing heat, noise, and humidity throughout the project.

Rest beneath the shade of sprawling trees, relax in intimate seating areas, and indulge in the numerous pastimes that reflect your identity and offer a sense of endless serenity.

THE REFLECTION AMPHITHEATER

on every visit and enjoy your tranquil oasis in the place you call home.
